### Reym celebrates 60 years in Hazardous Waste

Reym, part of Shanks Group's Hazardous Waste division, today marked 60 years of operation as one of the leading industrial cleaning companies in the Netherlands.

Since its founding in 1953, the company has grown into a leading top-end industrial cleaning company in the country with over 600 employees, providing cleaning, transport and waste management for heavy industry, petrochemical sites, oil and gas production industry and the food industry.

Reym operates specialised cleaning equipment to provide bespoke services for its customer's complex requirements. These include trucks for onshore work and transportable units for offshore work. Techniques include high pressure cleaning, vacuum cleaning, chemical cleaning and decontamination. Clients include Shell, BP, DSM and Total.

Shanks Chief Executive Peter Dilnot said:

*"Reym is a leading company in its field because its highly experienced and trained cleaning teams and their specialist equipment deliver best in class outcomes. Today's anniversary marks a fantastic achievement and is a tribute to the dedication and hard work of all our people at Reym."*
