

## Press Release

20 November 2013

### **Shanks win IR Society Best Corporate Website Award**

Shanks Group plc has been named as the winner of Best Corporate Website in the Small Cap/AIM category at last night's IR Society Best Practice Awards.

The IR Society Awards encourage and reward best practice in investor communications, both online and in print. In making their decision, judges reviewed Shanks' corporate website: [www.shanksplc.com](http://www.shanksplc.com) against the websites of the other nominees.

Commenting on the award, Peter Dilnot, Group Chief Executive of Shanks said:

"We are highly committed to clear and transparent communication with our shareholders and other stakeholders. The corporate website is one of the many channels we use to communicate with the investment community, so to be recognised as a leader in this field is something which we are very proud of."

### **Notes to editors**

Shanks Group is a leading international sustainable waste management business. We meet the growing need to manage waste without damaging the environment. Our solutions reduce greenhouse gas emissions, recycle natural resources and limit fossil fuel dependency.

Shanks uses a range of sustainable and cost-effective technologies to make valuable products from what is thrown away and generate increasing returns for shareholders. We produce green energy, recovered fuel, recycled commodities and organic fertiliser.

Shanks operates in four divisions that reflect our markets: Solid, Hazardous, Organics and UK Municipal. It has operations in the Netherlands, Belgium, UK and Canada and employs around 4,000 people.

In its target markets, the Group is at the forefront in providing sustainable waste management solutions for both the public and private sectors.
